

Certified **Pre-Owned** Equipment

**K'(Prime) certified pre-owned equipment.
Like new - at a fraction the cost.**

Save on the equipment you trust and purchase K'(Prime) Technologies Certified Pre-Owned Equipment with confidence. The K'(Prime) certified pre-owned equipment program delivers a new way to think about used equipment that meets the same high quality specifications as the new products.

Inspection

Our equipment must pass up to a 50+ point inspection by factory trained technicians prior to qualifying for our certified pre-owned stock

Warranty

The equipment purchased is backed up by an included one-year warranty. A wide range of extended service options are available

Parts

Buy in confidence that all your needed parts and accessories are included, tested, fully compatible for the best performance and reliability

Financing

Our convenient financing program provides you with flexible terms to fit your laboratory needs with our leasing or rental agreements options
